Work into the back bumps of the chains for Row 1.

Rows 3 & 4: Repeat Row 2. (60 sts)
Fasten off and weave in tails. Fold the sides into the centre so all the slip stitches are stacked on top of each other. Thread a long piece of yarn into a yarn needle (make sure the yarn is long enough to wrap around the centre of the bow). Tie the ends securely. Draw the needle through the centre of the bow, pull the yarn all the way through and wrap the yarn around the centre about 5 times. Secure the yarn with a couple of knots and trim the excess yarn tail.

***Optional** - To make into a bag charm, use pliers to attach the keychain to the top centre of the bow.*

Well done! Your bow is ready!
