ASSEMBLY

- Sew the head to the neck of the body using the leftover yarn tail from the body. Add more stuffing if needed. The head will naturally tilt to the side due to the height of the hdc stitches.
- Sew the arms to the sides of the body, between Rounds 19 & 20, 4 stitches apart at the front.
- Use the yarn tail from the 1st leg to sew the gap close between the legs.
- Loop a few strands of dark brown yarn through Round 3 of the head. Trim to preferred length.
- Give this little voodoo doll some stitches! Use dark brown yarn to embroider stitches on the head, the front of the body and the top of each leg.

All done! I hope you enjoyed making OWIE THE VOODOO DOLL!
